

Bolney Pram Race April 2nd 2018

Every year we are overwhelmed by the generosity of our sponsors, who are what make the Bolney Pram Race such a successful and enduring fundraising event.

PLEASE HELP US TO HELP THEM!

The first is **Age Uk Horsham District**

are an independent local charity, promoting the well-being of older people, responding to their needs and helping to make later life a more fulfilling and enjoyable experience. Always there when they need advice and have lots of access to services for older people.

This year Age UK Horsham District is Also Celebrating their Diamond Anniversary

The second is SERV

a rapid response medical transport service that transports urgently needed medical items including blood, blood products, biological samples, vaccines, medical notes, x-rays, scans breast milk to hospitals out of hours and totally free of charge to the NHS.

The charity is run entirely by volunteers who receive no compensation for their time or costs and it receives no funding from the Government.
