To all local residents,

Given the latest government information regarding Covid-19 and self-isolation, we would like to offer a Takeaway & Delivery service. If you can't come to the pub – we will come to you! This will ensure everyone can still enjoy a nice hot meal. In addition to this, we can also provide meals for you to heat at home if you'd prefer (with cooking instructions provided) and a selection of drinks. To minimise the handling of cash as much as possible, we ask that you make card payments securely over the phone when placing your order.

On a side note, we will remain open until told otherwise so if you want to dine in or pop in for a drink, we have the highest levels of hygiene and cleanliness here (always have – always will!)

Finally, please stay safe and look after each other.

Warmest Regards,

Sas, David, Mollie and The Eight Bells Team
